

## Principal's Message

Dear parents and students

Greetings,

**"Believe in yourself, take on your challenges, dig deep within yourself to conquer fears. Never let anyone bring you down. You got to keep going."**

— *Chantal Sutherland*

Every New Year comes with new desires, new hopes, and new expectations. So, with all this and much more, our loving students of 10<sup>th</sup> and 12<sup>th</sup> are out there to test their yearlong learning in board exams.

**I want to tell my dear students-Don't worry about the exam results, just give your best in exams. The result of the exams will not represent you and your wisdom.**

"My dear 12<sup>th</sup> students, these board exams are just the end of your school journey. But now you will be out there in the wide world finding new places to go, finding new things to try, finding new people to meet and finding new goals to achieve. The things that you have learned so far will guide you towards a better future. My heartiest wishes and blessings to my dear students. In the end, I would only say that":

**Keep on learning,  
Though your schooling's done;  
Your whole life's an education  
That has only just begun.**

**Your end of 12th is the first big step,  
For knowledge is the special key  
To winning what you want in life  
And being who you want to be.**

**If you'll always be a student,  
You'll find the secrets to success  
And travel on the golden road  
To peace and happiness.**
