November-December 2024

Principal's Message

Dear parents and students

New year greetings!

As philosopher Heraclitus famously said,

"The only constant in life is change."

That truth presents us with countless new beginnings.

Everyone deserves new beginnings. And, more often

than not, new beginnings are not gifts given to us, but our own choices.

When we choose to start afresh and take hold of the direction of life, we create a new beginning.

So, this way we have both opportunities: to accept the blessings of beginnings and to create them on our own.

Life is rooted in new beginnings. Each stage you enter—whether it be entering a new class, deciding your subjects, preparing for final exams or getting ready to launch your career— everything will require reformation, and you'll find yourself blossoming into fresh new versions of yourself along the way.

To all my fervent students, especially those who are on their way to board exams, these journeys are vital, powerful and, ultimately, rewarding. But sitting at the starting line of a new race and chapter can be daunting. If you find yourself fearful of the growing pains that may accompany change, remember to hold fast and tight to your dreams and the vision you have for your future self while also giving yourself grace as you navigate uncharted waters.

As we hopefully look forward towards the new year, we have beautiful memories to cherish from the past year. The major event of the year end was "Annual Sports Day". So, please witness the glimpses of the last months of previous year end, and be ready for a new journey in the year 2025.

To my dear students and teachers, I wish you all good luck and let's work harder to achieve bigger and better milestones in the coming years. Remember, success is not final. Success is not resting on your laurels, but finding new laurels to rest upon.

Have a great year ahead!

Warmly,

Jyoti Dubey

Principal

Sports Activities

68th SGFI State Level Futsal (Boys U-19)

68th SGFI District Level Cricket U-17 Boys & Girls

68th SGFI National Level Handball Boys U-14

CCA Activities

GLIMPSES OF FLN MELA

The FLN Mela was organised at the Foundation Wing and inaugurated by Principal Mrs. Jyoti Dubey. The engaging event aimed to promote foundational learning among children, focusing on basic literacy and numeracy skills. It featured interactive activities, games and workshops designed to make learning enjoyable and accessible for young learners.

CCA Activities

GLIMPSES OF ANNUAL SPORTS MEET 2024-2025

Sports Day was celebrated with great zeal and enthusiasm under the theme "Fit India." A variety of events were organized, including a march past, races, Mallakhamb, yoga demonstrations, martial arts demonstrations, and Zumba sessions. Students participated wholeheartedly, showcasing exceptional performances. State, national, and cluster-level players, along with Vidyanjali students, were felicitated by the chief guest on this special occasion. Best House trophy was bagged by the Vivekanand House and best March Past Trophy was given to Gandhi House.

INITIATIVES

Community Outreach Programme

Under the initiative of community outreach programme educational excursion was conducted for the students of nursery to 12th.

Students of classes 9th to 12th were taken to the various department of universities. The trip to various departments of university like Botanical garden, Geology lab, Zoological museum provided students with hands on learning experiences, deepening their understanding of diverse scientific fields and career opportunities.

Students of classes 4th to 8th were taken to the City Forest. Visiting the city forest benefited the students by enhancing their understanding of local ecosystem, biodiversity and conservation practices, fostering a greater appreciation for nature and environmental stewardship.

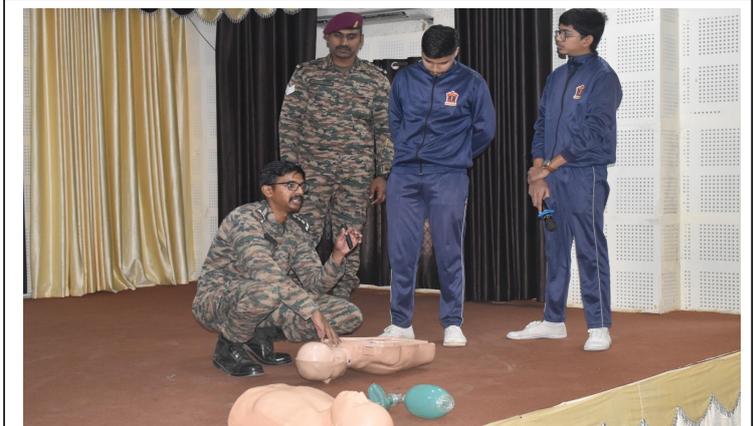

Students of classes nursery to 3rd were taken to the Sanjeevni Park. Educational Excursion to a park helps children to connect with nature, learn about plants and develop observational and social skills.

INITIATIVES

NAS - National Achievement Survey Exam was conducted

CPR SESSION WAS CONDUCTED BY CAPTAIN S.M. PERUMAL, FIELD HOSPITAL

**"OPTIMISM IS THE FAITH
THAT LEADS TO
ACHIEVEMENT. NOTHING
CAN BE DONE WITHOUT
HOPE AND CONFIDENCE."**

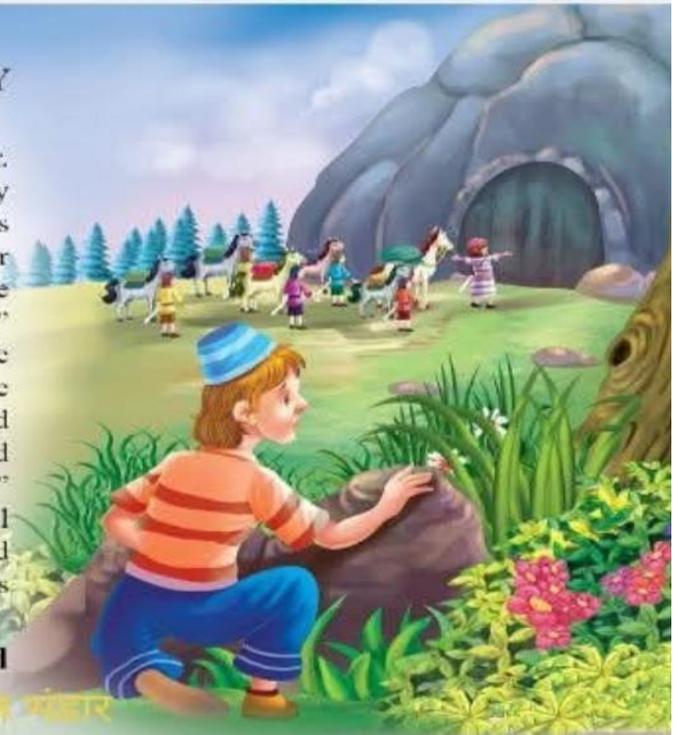

HELEN KELLER

62. ALI BABA AND THE FORTY THIEVES

A long time ago, there was a woodcutter. His name was Ali Baba. A band of forty robbers came into the jungle. Their horses were loaded with treasures. The leader jumped off the horse. He stood before a large rock and said, "Open Sesame." The rock opened, and all the robbers rode inside! After some time, they all came out. The leader said, "Close Sesame" and the rock closed! When the robbers had gone far, Ali Baba said, "Open Sesame" to the rock and went inside. He took all the treasures his donkeys could carry and left. Then, Ali Baba went back to his village. He became rich.

Moral: We should never steal and be greedy.

63. THE DARNING NEEDLE

Once, a lady used a darning needle to pin the scarf around her neck. One day, it slipped from the woman's neck to land in the kitchen sink. It pretended to be on holiday to discover new places! The only land it 'discovered' was the drain. But all the waste in the drain made it feel more important, as it remained shiny. It came across a bottle top that shined brightly. Feeling that they were from the same high class, the needle flattered its friend and said, "You are like a diamond!" The bottle top returned the compliment, calling the needle, "You are like a sword!" Maybe the two are still relating exciting incidents from their past to each other!

Moral: Never be too proud of yourself.
